Comunicato Stampa

DIFFUSO A CURA DEL SERVIZIO SEGRETERIA PARTICOLARE

Rome, 31 October 2011

The Bank of Italy announces the scheduled release dates of statistical periodicals from January to June 2012.

Dates of the publications already scheduled for July 2012 are also announced.

The release dates shown are based on the planned schedule of activities drawn up in the light of the situation foreseeable today; small deviations from the announced dates cannot be ruled out.

Starting with this edition, the Calendar also includes the following:

- The date of issue of the new publication 'The Statistical Bulletin – Monthly Tables' whose first issue is planned for 30 November;
- The date ranges for the publication of new issues of 'The sample survey on the housing market in Italy'.

Notes:

1. The publications referred to can be found in the Statistics section of the [Bank's website](#). The release dates are based on the planned schedule of activities according to the situation foreseeable today; small deviations from the announced dates cannot be excluded.
2. The various publications may contain information updated to different dates, particularly when time series have different frequencies.
3. Monthly remittances by country. These statistics are published only in Italian.
4. These statistics must comply with the IMF's Special Data Dissemination Standard.
5. For the this survey, a range of possible publication dates is given.
6. These statistics are available only in Italian.
7. The date of release refers to the time when the information is made available in the Statistical database (BIP on-line); publication in PDF format will follow later.
8. The publication is released on the date shown in PDF format in the Statistics section of the Bank's website. The historical time series are released later in the Statistical database "Base Informativa Pubblica" online. At present, we cannot rule out slight delays in updating the Bank's statistical database (BIP on-line) in Italian and English.
9. The date refers to the publication on the Bank of Italy's website in Italian and in pdf format. The corresponding English version will follow later.
10. Forecasts for the next quarter are also provided.
11. The results for Italy will be available after the European Central Bank has released the results of the BLS for the euro area, in accordance with the provisional dates.
12. The data will be made available after the European Central Bank has released the monetary figures for the euro area, in accordance with the provisional dates.
13. Advances are also provided on the second half of 2012.
