

Third International Conference in memory of Carlo Giannini

Developments in macroeconomic modeling and econometric assessment of structural policies

Bank of Italy, Rome, 12/13 April 2012

The [Associazione Carlo Giannini](#), the [Italian Econometric Association \(SIdE\)](#), and the Bank of Italy are pleased to announce the Third International Conference in memory of [Carlo Giannini](#).

The focus of the conference will be on recent developments in macroeconomic modeling and the assessment of structural policies.

The conference will comprise two sessions, taking one day each. Each session will consist of an invited presentation and seven contributed papers; all papers will be assigned to a discussant. A poster session is also planned.

Sessions

- 1) **New frontiers in macroeconomic modeling (invited speaker: Hashem M. Pesaran, University of Cambridge)**
- 2) **Assessing structural reforms (invited speaker: Antonio Ciccone, Universitat Pompeu Fabra)**

Important dates

- **31 January 2012** **Deadline for submission of drafts or extended abstracts**
- **24 February 2012** **Acceptance decisions**
- **15 March 2012** **Submission of final version of papers**

Submissions

Papers (drafts or extended abstracts) in pdf should be submitted electronically to:

CarloGiannini2012@bancaditalia.it.

Submitted papers will be evaluated by the Program Committee. Authors may be asked to present their paper in the poster session. Further information regarding the conference will be available at:

http://www.bancaditalia.it/studiricerche/convegni/inprogramma/Giannini_3.
