

### **Rial of the Islamic Republic of Iran – suspension**

Banca d'Italia informs that, due to the unavailability of the “telegraphic transfer” exchange rate on the website of the Central Bank of Iran, the publication of the Iranian rial exchange rate is suspended with effect from June 26, 2025.

The “telegraph transfer” exchange rate of the rial against dollar was adopted as the basis of calculation for the publication starting from August 1<sup>st</sup>, 2023, as per the notice published on July 31, 2023.

The publication will resume as soon as it is possible to restore the data collection on the website of the Central Bank of Iran.
