

ANNEX IV

AGGREGATE STATISTICAL DATA	
List of templates	
PART 1	Individual data per competent authority
PART 2	Data on market risk
PART 3	Data on supervisory measures and administrative penalties
PART 4	Data on exemptions

General remarks on filling in templates in Annex IV

- 1) When publishing information on the general criteria and methodologies, competent authorities shall not disclose any supervisory measures directed at specific investment firms, whether taken with respect to a single investment firm or to a group of investment firms.
- 2) Numerical cells shall include only numbers. There shall be no references to national currencies. The currency used is the euro; and non-euro area Member States shall convert their national currencies into the euro using the ECB exchange rates (at the common reference date, i.e. the last day of the year under review), with one decimal place when disclosing amounts in millions.
- 3) Unit of disclosure shall be in millions of euro for the reported monetary amounts (hereafter – EUR million).
- 4) Percentages shall be disclosed with two decimals.
- 5) If data is not being disclosed, the reason for non-disclosure shall be provided using the EBA nomenclature, i.e. N/A (for not available) or C (for confidential).
- 6) The data shall be disclosed on an aggregated basis without identifying individual investment firms.
- 7) Data shall be compiled only for investment firms subject to Directive (EU) 2019/2034. Investment firms which are not subject to the Directive (EU) 2019/2034 regime are excluded from the data collection exercise.

Competent authorities shall not disclose supervisory actions or decisions directed at specific investment firms. When publishing information on the general criteria and methodologies, competent authorities shall not disclose any supervisory measures directed at specific investment firm whether taken with respect to a single investment firm or to a group of investment firms.

(1) Information shall be reported based on the date of decision. Due to differences in national regulations as well as in supervisory practices and approaches across the competent authorities, the figures provided in this table might not allow for a meaningful comparison between jurisdictions. Any conclusions without carefully considering these differences can be misleading.

(2) The administrative penalties imposed by competent authorities. Competent authorities shall report all administrative penalties against which there is no appeal available in their jurisdiction by the reference date of the disclosure. Competent authorities of Member States where it is permitted to publish administrative penalties subject to an appeal, shall also report those administrative penalties unless the appeal annulling the administrative penalty is issued.
