International and European cooperation

ESCB cooperation programme for strengthening central bank capacities in the Western Balkans

On 14 July 2022 the Governing Council, with the benefit of observations from the General Council, endorsed the programme and contractual documentation for the second phase of the cooperation between the European System of Central Banks (ESCB) and the Western Balkans. This three-year programme, coordinated by the Deutsche Bundesbank, involves 20 ESCB national central banks, the ECB and the European Commission on the donor side and eight beneficiary institutions (Bank of Albania, Central Bank of Bosnia and Herzegovina, Banking Agency of the Federation of Bosnia and Herzegovina, Banking Agency of Republika Srpska, National Bank of the Republic of North Macedonia, Central Bank of Montenegro, National Bank of Serbia and Central Bank of the Republic of Kosovo). The European Commission will provide the funding under the Instrument for Pre-Accession Assistance. More details will be provided in due course on both the ECB's and the European Commission's websites as the programme progresses.

Statistics

Update of the Manual of Procedures of the Household Finance and Consumption Survey

On 14 July 2022 the Governing Council, with the benefit of observations from the General Council, approved amendments to the Manual of Procedures (MoP) for the [Household Finance and Consumption Survey](#) (HFCS). The MoP sets out how the HFCS is to be conducted and, in particular, the information that all participating national central banks are required to provide. The changes relate to the variables to be collected as part of the HFCS, with a view to ensuring that it is more efficient from a policy and research perspective. Furthermore, the amendments provide clarifications where relevant and reflect changes in the processes of the survey, data transmission and dissemination.
