Decisions taken by the Governing Council of the ECB (in addition to decisions setting interest rates)

June 2024

Monetary policy

Eurosystem's corporate bond holdings for monetary policy purposes

On 5 June 2024 the Governing Council authorised the publication of the second ECB report on the climate-related financial disclosures of Eurosystem assets held for monetary policy purposes and the ECB's foreign reserves. The report provides information on the Eurosystem portfolios' carbon footprint and exposure to climate risks, as well as on climate-related governance, strategy and risk management. A second report also provides information on the ECB's euro-denominated non-monetary policy portfolios, including its own funds portfolio and its staff pension fund. Both reports will be published on the ECB's website by the end of June 2024.

Macroprudential policy and financial stability
