Comunicato Stampa

DIFFUSO A CURA DEL SERVIZIO SEGRETERIA PARTICOLARE

Rome, 29 April 2011

The Bank of Italy announces the scheduled release dates of statistical periodicals from July to December 2011.

Dates of the publications already scheduled for January 2012 are also announced.

The release dates shown are based on the planned schedule of activities drawn up in the light of the situation foreseeable today; small deviations from the announced dates cannot be excluded.

Starting with this edition, the Calendar also includes the following:

- Monthly press release “Main items of banks’ balance sheets: twelve-month percentage changes”;
- Survey on inflation and growth expectations.

Finally, the publication of the Statistical Bulletin (with data for March 2011) is deferred from 11 July, as previously scheduled, to 20 July.

Notes:

1. The publications referred to can be found in the Statistics section of the [Bank's website](#). The release dates are based on the planned schedule of activities according to the situation foreseeable today; small deviations from the announced dates cannot be excluded.
2. The various publications may contain information updated to different dates, particularly when time series have different frequencies.
3. Monthly remittances by country. These statistics are published only in Italian.
4. These statistics must comply with the IMF's Special Data Dissemination Standard.
5. The publication is released on the date shown in PDF format in the Statistics section of the Bank's website. The historical time series are released later in the Statistical database "Base Informativa Pubblica" online. At present, we cannot rule out slight delays in updating the Bank's statistical database (BIP on-line) in Italian and English.
6. For the Survey on inflation and growth expectations a range of possible publication dates is given.
7. These statistics are available only in Italian.
8. The date of release refers to the time when the information is made available in the Statistical database (BIP on-line); publication in PDF format will follow later.
9. The data will be made available after the European Central Bank has released the monetary figures for the euro area, in accordance with the provisional dates.
10. Forecasts for the next quarter are also provided.
11. The results for Italy will be available after the European Central Bank has released the results of the BLS for the euro area, in accordance with the provisional dates.
12. Advances are also provided on the first half of 2011
