Notes

1. The publications referred to can be found in the Statistics section of the Bank's website. The release dates are based on the planned schedule of activities according to the situation foreseeable today; small deviations from the announced dates cannot be excluded.
2. The various publications may contain information updated to different dates, particularly when time series have different frequencies.
3. Monthly remittances by country. These statistics are published only in Italian.
4. These statistics must comply with the IMF's Special Data Dissemination Standard.
5. The date of release refers to the time when the information is made available in the Statistical database (BIP on-line); publication in PDF format will follow later.
6. The publication is released on the date shown in PDF format in the Statistics section of the Bank's website. The historical time series are released later in the Statistical database "Base Informativa Pubblica" online. At present, we cannot rule out slight delays in updating the Bank's statistical database (BIP on-line) in Italian and English.
7. For the this survey, a range of possible publication dates is given. .The range refers to the publication on the Bank of Italy's website in Italian and in pdf format. The corresponding English version will follow later.
8. These statistics are available only in Italian.
9. Forecasts for the next quarter are also provided.
10. The results for Italy will be available after the European Central Bank has released the results of the BLS for the euro area, in accordance with the provisional dates
11. The data will be made available after the European Central Bank has released the monetary figures for the euro area, in accordance with the provisional dates.
