Notes

1. The statistical periodicals referred to can be found in the Statistics section of the [Bank's website](#). The release dates are based on the planned schedule of activities according to the situation foreseeable today; small deviations from the announced dates cannot be excluded.
2. The various publications may contain information updated to different dates, particularly when time series have different frequencies.
3. The publication is released on the date shown in PDF format in the Statistics section of the Bank's website. The historical time series are released later in the Statistical Database (BDS). At present, we cannot rule out slight delays in updating the Statistical Database (BDS) in Italian and English.
4. These statistics are available only in Italian.
5. Monthly remittances by country. These statistics are published only in Italian.
6. The results for Italy will be available after the European Central Bank has released the results of the Bank Lending Survey (BLS) for the euro area, in accordance with the provisional dates.
7. Forecasts for the next quarter are also provided.
8. For this survey, a range of possible publication dates is given. This range refers to the publication on the Bank of Italy's website in Italian and in pdf format. The corresponding English version will follow later.
9. These statistics must comply with the IMF's Special Data Dissemination Standard.
10. The data will be made available after the European Central Bank has released the monetary figures for the euro area, in accordance with the provisional dates.
