## METHODOLOGICAL NOTES

Table 2.17

### **Own funds and capital requirements**

The new rules on banks' capital have been in force since 1 January 2014 (Basel III), as defined for Europe by Directive 2013/36/EU (Capital Requirements Directive - CRD IV) and by Regulation (EU) No. 574/2013 (Capital Requirements Regulation – CRR); these rules will be fully phased in by 2018.

For further information regarding the definition of own funds and the new methods for calculating risk-weighted assets, see *Istruzioni per la compilazione delle segnalazioni prudenziali per le banche e le società di intermediazione mobiliare* (Circular No. 286 of 17 December 2013), available only in Italian on the Bank's website.
