It is possible to link information from external sources to the archives available on BIRD if the user can legitimately send it to the Bank of Italy. Users interested in taking advantage of this possibility can send an e-mail to [bird\\_assist@bancaditalia.it](mailto:bird_assist@bancaditalia.it). Only users who have applied will be allowed to access the archives integrated in this way. The access level and the security controls will be the same as for the original archives.

<sup>1</sup> INFORMATION. The personal data requested, which are needed for the issue of the license, will be treated within the Bank of Italy – in ways, including EDP, designed to ensure their confidentiality – exclusively to permit use of firm microdata for statistical purposes. Knowledge of the personal data provided is restricted to the processor and the persons charged with the processing for the management of the account requested. The applicant may access the data and exercise the other rights referred to in Article 7 of Legislative Decree 196/2003, including the right to have the personal data provided updated, corrected, supplemented and deleted. The processor is the pro tempore Head of the Statistical Analysis Department, the Bank of Italy, Via Nazionale 91, 00184 ROMA (RM), Italy. The controller is the Bank of Italy (Organization Department), Via Nazionale 91, 00184 ROMA (RM), Italy.
